

Adapters, delivery, angled Lenz

DURAN®, borosilicate glass

Standard ground joint socket and delivery tube at an angle of 105°. Available with long and short delivery tubes.

- Very good chemical resistance
- High temperature resistance
- Minimal thermal expansion giving relatively high resistance to temperature changes

Socket size (NS)	Tube length (mm)	Pk	Cat. No.
14/23	65	1	271-2401
19/26	65	1	271-2402
24/29	65	1	201-0364
29/32	65	1	201-3108
14/23	190	1	201-0365
19/26	200	1	201-0366
24/29	200	1	201-0367
29/32	200	1	271-2403

Adapters, receiver, vacuum, straight or angled Lenz

DURAN®, borosilicate glass

Standard ground joint cone and socket with drip point and glass vacuum tubing connector. Available in straight or 105° angled versions.

- Very good chemical resistance
- High temperature resistance
- Minimal thermal expansion giving relatively high resistance to temperature changes

Socket size (NS)	Cone size (NS)	Pk	Cat. No.
Straight			
14/23	14/23	1	201-2411
19/26	19/26	1	201-0368
24/29	24/29	1	201-0369
29/32	29/32	1	201-2412
Angled			
14/23	14/23	1	201-2416
19/26	19/26	1	201-0370
24/29	24/29	1	201-0371
29/32	29/32	1	201-2417
