

Continued from previous page

The Infinity mat offers the comfort of a polyurethane mat and is suitable for cleanroom ISO Class 5 (Class 100) environments. It is either available with a bubble surface that features a unique ergonomic and anti-fatigue design or with a smooth surface that is ideal for areas that combine sitting and standing.

- Extremely good chemical and UV resistance (except for organic solvents)
- Silicone and latex-free
- Closed cell / non porous surface allows for easy wash down and cleaning
- Smooth mat: Ideal if carts or trolleys must be used
- Bubble mat: Ergonomic benefit of stimulating the body to increase blood circulation
- Warranty up to 12 years

DIN 53505, EN ISO 14664-1
