

Bottles, narrow mouth, square, with screw cap

HDPE translucent, with red LDPE screw cap

A range of square, narrow mouth bottles. Ideal for use in the laboratory, production plant or in the field for storage of liquids, solids and powders.

- Square cross section bottles saves on storage space
- Bottles are available capped (assembled) or uncapped (unassembled)

Capacity (ml)	WxDxH (mm)	Neck I-Ø (mm)	Type	Version	Pk	Cat. No.
