

Aspirator bottles with screw cap and spigot

HDPE, translucent with red screw cap

With tightly fitting spigot. Ideal for storing and dispensing liquids. Also recommended for use as settling bottles. Equipped with a carrying handle.

- Good chemical resistance
- Heat resistant up to +80 °C (+120 °C for short periods)
- Thick walled, very robust

Capacity (ml)	Pk	Cat. No.
5000	1	215-0968
10000	1	215-0969

Aspirator bottles, heavy duty, with spigot, Azlon®  
SciLabware

PP, octagonal with white screw cap and heavy duty spigot

Unique shape allows easy location and efficient use of bench space. Equipped with an integral carrying handle and moulded graduations for easy and quick volume assessment. Caps have moulded drill guides for easy location of probes and feed-lines. Leakproof heavy duty spigot opens and closes in a quarter turn.

- Very good chemical resistance
- Autoclavable at +121 °C\*
- Easy to fill and pour with the offset narrow mouth

\* Closures and spigots should be removed before autoclaving.

Capacity (ml)	Cap size (mm)	W×H (mm)	Pk	Cat. No.
