

Bottles, narrow mouth, with standard ground stoppers

DURAN Group

DURAN®, borosilicate glass, clear or amber, with standard ground joint and glass stopper

Marked with volume and equipped with a white labelling field. Amber to protect light-sensitive materials.

- Very good chemical resistance
- High temperature resistance
- Minimal thermal expansion, giving relatively high resistance to temperature changes
- USP standard

With printed retrace code (batch identification); batch certificate available at www.duran-group.com

ISO 4796-2 (except 215-1111)
