

Deep well storage plates, 96-well, 1,2 ml, ABgene®
Thermo Scientific

PP

96-well plates with round wells for storage and screening applications.

- 1,2 ml working volume when sealed with adhesive or heat seals, 1,1 ml when sealed with storage plate cap strips or 1,0 ml when sealed with 96-cap sealing mat
- U-shaped well bottom to aid resuspension

Description	Colour	Pk	Cat. No.
Storage plate, 1,2 ml, bulk packed	Natural	50	732-4883
Storage plate, 1,2 ml, individually wrapped	Natural	50	732-4821

Deep well storage plates, 96-well, 2,2 ml, ABgene®
Thermo Scientific

PP

96-well plates with square wells for storage and screening applications, as well as growth of bacterial cultures when used in conjunction with gas permeable adhesive seals.

- 2,2 ml working volume when sealed with adhesive or heat seals or 1,8 ml when sealed with 96-cap sealing mat
- U-shaped well bottom to aid resuspension

Description	Colour	Pk	Cat. No.
Storage plate, 2,2 ml, individually wrapped	Natural	50	732-4843
Storage plate, 2,2 ml, bulk packed	Natural	50	732-4884

Deep well storage plates, 96-well, 2,2 ml, Mark II, ABgene®
Thermo Scientific

PP

96-well plates with round wells for storage and screening applications.

- 2,2 ml working volume when sealed with adhesive or heat seals or 1,8 ml when sealed with 96-cap sealing mat
- Conical well bottom for ease of sample retrieval
- Raised rim design with support and stacking ring

Colour: Natural

Description	Colour	Pk	Cat. No.
Storage plate, 2,2 ml, Mark II	Natural	50	732-4910

Cap sealing mats for 96-well storage plates, ABgene®
Thermo Scientific

Round or square capped mats for sealing 96-well storage plates.

- Alphanumeric grid-referencing to aid sample identification
- Autoclavable or pierceable formats
- Pierceable mats are solvent resistant (including DMSO)
- Flexible design

Colour: Clear

Description	Feature	Pk	Cat. No.
Sealing mat, round cap, pierceable	non-autoclavable	50	732-4822
Sealing mat, square cap, pierceable	non-autoclavable	50	392-0507
Sealing mat, round cap	autoclavable	50	732-4846
Sealing mat, square cap	autoclavable	50	732-4847
