

Centrifugation

Screw Cap Microcentrifuge Tubes with Printed Graduations

- Available in 0.5ml, 1.5ml and 2ml skirted base and 1.5ml and 2ml conical base.
- Tubes are screen printed with graduations and a white marking area.
- Cap features an autoclavable, ethylene/propylene gasket, ensuring a positive leaktight seal on the tube.
- Five different coloured caps - sold separately - in bags of 1000.
- Both tube and cap made from polypropylene.
- Tubes and caps sold separately in bags of 1000.
