

Weighing boats

Disposable, made of high impact polystyrene designed to be bent between the fingers to give a funnel shape to facilitate pouring. Available in either black or white, with a choice of three sizes.

Weighing boats, diamond shaped, as described above.

Size (ml)	Colour	Pk	Cat. No.	£
5	White	1000	611-9130	29.16M
30	White	500	611-9138	22.50M
100	White	250	611-9143	23.33M
5	Black	1000	611-9131	29.16M
30	Black	500	611-9139	22.50M
100	Black	250	611-9144	23.33M

Weighing boats, square shaped, as described above.

Size (ml)	Colour	Pk	Cat. No.	£
7	White	1000	611-9132	30.00M
7	Black	1000	611-9133	30.00M
100	White	1000	611-9134	53.33M
100	Black	1000	611-9135	53.33M
250	White	1000	611-9136	110.00M
250	Black	1000	611-9137	110.00M

Weighing boats, antistatic

Eliminates static problems encountered when weighing finely divided dry materials. Description as for Cat. No 611-9130 etc.

Weighing boats antistatic, diamond shaped.

Size (ml)	Colour	Pk	Cat. No.	£
5	White	1000	611-9145	40.50M
30	White	500	611-9147	31.05M
100	White	250	611-9149	36.10M
5	Black	1000	611-9146	46.15M
30	Black	500	611-9148	44.14M
100	Black	250	611-9150	50.20M

Weighing boats antistatic, square shaped.

Size (ml)	Colour	Pk	Cat. No.	£
7	White	1000	611-9151	29.59M
7	Black	1000	611-9152	29.59M
100	White	1000	611-9153	53.94M
100	Black	1000	611-9154	53.94M
250	White	1000	611-9155	109.57M
250	Black	1000	611-9156	109.57M

Kjeldahl weighing boats

≡Schleicher & Schuell

Grade 609

- Ideal for weighing and transporting all types of samples
- Particularly suitable for nitrogen determination according to Kjeldahl (e.g. determination of total protein content in foodstuff)
- Made of nitrogen-free parchment paper (can be dropped into the Kjeldahl flask together with the sample)

Format (mm)	Pk	Cat. No.	£
55 x 10 x 10	100	611-3990	49.70C

For Kjeldahl flasks, see Chapter 2

Parchment paper 2122

≡Schleicher & Schuell

- Transparent and smooth parchment paper
- Simple weighing out of a wide range of different samples
- Quantitative transfer from paper

Format (mm)	Pk	Cat. No.	£
100 x 100	500	515-8212	20.20C
150 x 150	500	515-8214	39.90C

Aluminium dishes

- Aluminum. For infrared dryer
- Ø 100mm
- Height of rim 7mm
- Manufactured oil free under ISO 9001 quality assurance certificate control.
