

## Forceps RSG Solingen

### Stainless steel 18/10, anti-magnetic

Type	Length (mm)	Pk	Cat. No.
Straight, blunt	105	1	232-2111
Straight, blunt	115	1	232-2112
Straight, blunt	130	1	232-2113
Straight, blunt	145	1	232-2114
Straight, blunt	160	1	232-2115
Straight, blunt	200	1	232-2116
Straight, blunt	250	1	232-2117
Straight, blunt	300	1	232-2118
Straight, pointed	105	1	232-2121
Straight, pointed	115	1	232-2122
Straight, pointed	130	1	232-2123
Straight, pointed	145	1	232-2124
Straight, pointed	160	1	232-2125
Straight, pointed	200	1	232-2126
Curved, pointed	105	5	232-2160
Curved, pointed	115	1	232-2131
Curved, pointed	130	1	232-2132
Curved, pointed	145	1	232-2133
Curved, pointed	160	1	232-2134
Curved, pointed	200	5	232-0190

## Forceps RSG Solingen

### Stainless steel, PTFE coated

- Available in sharp or blunt design
- Very good chemical and thermal resistance
- Smooth surfaces prevent contamination and allow easy cleaning

Type	Length (mm)	Pk	Cat. No.
Straight, blunt	115	1	232-1982
Straight, pointed	115	1	232-1981

## Tissue forceps Bochem

### Stainless steel

- With small teeth (1:2) at the end of the blades
- Designed for handling tissues with minimal trauma during surgery

Type	Length (mm)	Pk	Cat. No.
Tissue forceps 1:2	115	1	232-0001
Tissue forceps 1:2	130	1	232-0002
Tissue forceps 1:2	145	1	232-0003
Tissue forceps 1:2	160	1	232-0004

## Forceps

### Stainless steel

- Blunt, narrow flutes
- For dissecting and general applications

Type	Length (mm)	Pk	Cat. No.
Straight, blunt	115	1	232-0030
Straight, blunt	125	1	232-0031
Straight, blunt	150	1	232-0032
Straight, blunt	175	1	232-0199
Straight, blunt	200	1	232-0033
