GL 45	2 × GL 25	2 × max. 14	1	201-0295

YOUTILITY bottles with screw cap

DURAN Group

DURAN®

The DURAN® YOUTILITY bottle represents a new generation of glass laboratory bottles for use in a wide and diverse range of applications. The innovations include improved ergonomic bottle shape and extend to dedicated accessories that incorporate many innovative features to improve handling, sample identification, and ease of use.

- Specially shaped grip zones on the bottles for safer and easier handling
- Ergonomic GL 45 screw cap made from food grade polypropylene
- Shortened threads on bottle and cap for faster opening
- Dedicated accessories for easy and simple identification and personalisation
