

Absorbent pads, PIG® HAZ-MAT pads and rolls

New Pig

PP, pink

A choice of lightweight pads for small spills or heavyweight pads and rolls for medium spills. The chemical resistant polypropylene mat does not fall apart, even when saturated with high concentrations of acids or alkalis.

- Completely safe absorption of acids, alkalis, oils, liquids and solvents
- Texture enables extremely fast liquid absorption
- Pre-perforated rolls and pads - just tear off what you need
- Rip-&-Fit® rolls have multiple perforations to give greater flexibility of floor coverage.

Absorbent pillows, PIG® HAZ-MAT pillows

New Pig

PP

A pink absorbent pillow for emergency spill response. Speeds response and saves critical time by eliminating guesswork when you have an unidentified spill.

- Pillow has large surface area, high capacity and fast wicking filler to quickly soak up liquids
- Polypropylene skin is chemical and tear resistant; reduces dust and holds in liquid, even when fully saturated
- Specially treated to quickly absorb more chemicals - including higher concentration corrosive liquids such as 98% sulphuric acid and 30% sodium hydroxide
- Can be incinerated after use to reduce waste
