

## Transport trolleys Metro International

### Chrome-plated steel frame with HDPE trough shaped trays

The troughs are 70 mm deep and enable liquids to be transported safely retaining any spillage. The height of the middle tray can be adjusted. Available in 2 sizes, with 2 or 3 trays.

- Stable, tough and versatile, easy to clean
- Load capacity: Max. 65 kg for each tray; combined 180 kg
- Rubber wheels to protect floors
